Item Table

Fill in each row:

Items / Description Name or description of the item or expense
Purpose Reason or intended use of the item
Quantity Number of units
Unit Price Price per unit
Amount Calculated automatically (Quantity × Unit Price)
Notes Additional remarks (optional)

- Click + **Add Item** to add more rows as needed.
- Double-check the Quantity and Unit Price before submitting.

Follow up attachment

- Use this option only when the **proof is not yet available at the time of the request** and will only be obtained later.
- Example:* For a water bill payment, the receipt or proof is only issued after payment is made. Turn on the toggle and upload the image once it is available.
- When enabled, the request is flagged as having **pending proof**. The image must still be uploaded after the transaction.
- If the proof is already available when you submit, **leave the toggle off**.

Attachments (Required)

- Upload **at least one image** as proof or basis for the request (e.g., quotation, receipt, photo of the item).
- Click the upload area or drag and drop images into it.
- Accepted formats: **JPG, PNG, and WEBP**. Multiple images are allowed.
- Images are automatically converted to WebP.
- The request cannot be submitted without an image.**

This page shows all budget requests

Select a date

Click a day that has a request. The list of all requests for that date (e.g. *Friday, October 2, 2026*) appears below the calendar. Click the **X** on the right to close it.

Calendar (top section)

The calendar shows **every day on which someone submitted a request.**

- **Highlighted day** (orange border): there is at least one request on that date.
- **"1 req"** (top right of the day): the number of requests on that date.
- **Requestor name** (e.g. *example wendhil*): shown inside the day so you can see at a glance who submitted it.
- **Dot color**: the status of the request.
 - **Pending**: waiting for your decision
 - **Approved**: already approved
 - **Rejected**: already rejected
- **Top controls**: < >: go to the previous or next month
- **Today**: jump back to the current date
- **Dates with Requests**: dropdown to quickly jump to days that have requests
- **Updated**: the time the data was last refreshed

Friday, October 2, 2026

CONTROL NO.	REQUESTOR	PURPOSE	CATEGORY	ITEMS	STATUS	ACTION
NHREQUEST-102026-015	example wendhil wendhil10@gmail.com	website hosting	Project	1 item(s)	PENDING	View Approve Reject

Request table (bottom section)

1. **Control No.**Reference number of the request (e.g. NHREQUEST-102026-015). It is clickable.
2. **Requestor** Name and email of the person who submitted the request
3. **Purpose** What the request is for (e.g. website hosting)
4. **Category** Type of request (e.g. Project)
5. **Items** Number of items in the request
6. **Status** Pending / Approved / Rejected
7. **Action** Buttons you can use

Actions

1. **View**: opens the full details of the request (items, amounts, etc.). **Review this first before deciding.**
2. **Approve**: click this if the request is acceptable. The status changes to **Approved** (green).
3. **Reject**: click this if the request is not acceptable. The status changes to **Rejected** (red). The requestor can then edit it and resubmit using the same control number.

This page shows budget requests that have already been **approved** and are now waiting for the staff member to **confirm that they received** the item or funds. You can find it under **Acknowledge Request** in the sidebar.
